PRICE REPORT ON INSTITUTIONAL AND CAMPUS EVENTS (P.R.I.C.E.)
MONTHLY BRIEF | NUMBER 04 | DATE: 31ST AUG. 2026

Introduction

This report provides a comprehensive overview of the major activities, trainings, visits, and special events undertaken at the institute and in Bethany Resort during the month of August 2026.

It presents the notable developments, accomplishments, engagements, and milestones recorded throughout the month, reflecting the Institute's progress, community life, capacity building, and significant occasions.

Highlights

- Selection of New Student Leaders
- Benue-Taraba Regional Ministers Retreat
- Periodic Enhancement Refresher Training for Teachers (PERT)
- PIVOT Students Onsite Industrial Training
- Covenant Heirs Summer School and Annual Retreat
- Premarital Training
- 2026 Teens Bootcamp
- Release of Two Set 4 Interns
- End-of-Session Break
- International Christian Couples Retreat
- Birthday Celebration
- Support for a Former Intern's Innovation Project

1. Selection of New Student Leaders

"Wherefore, brethren, look ye out among you seven men of honest report, full of the Holy Ghost and wisdom, whom we may appoint over this business." Acts 6:3;

After careful consideration and prayerful deliberations, on Sunday, 2nd August 2026, the institute management announced new leaders from PRICE Set 5 and PIVOT Set 3 to take the students' leadership roles for the three institutes. This, in the management's view, was intended to fill the space that would soon become vacant as the older sets are commissioned while also providing the brethren with an opportunity to express their gifts and graces. They were given a platform to serve the Lord by taking up leadership responsibilities and, in turn, serving and guiding other brethren.

Shortly after the Sunday message preached by **Bro. Caleb Iornenge** on the topic "**The Time to Seek the Lord**" **Hosea 10:12**, **the institute's chaplain (Bro. Segun Gbolagade)** called out the outgoing leaders, and the resource persons prayed for them as they handed over their leadership responsibilities. The newly selected leaders were then announced, and they were also prayed for by the resource persons.

After the service, a brief meeting was held and led by the chaplain and a few other resource persons with the outgoing and new leaders to clarify the responsibilities and expectations of their roles. The new leaders were given an opportunity to ask questions and seek clarification. It was also announced that, in line with the Institute's policy, a detailed leadership orientation would be held at a later date to further prepare them for their responsibilities.

May the Lord help them to be faithful to the end in Jesus' Name. Amen.

UNITS HEAD FOR 2026/2027 SESSION

- **KITCHEN**

  John Tosin Adekunle
  Okeke Obiajulu Divine
  Ifueko Osarumwense
  Samuel Chibuikem
  Kelechi Florence

- **HEALTH**

  Okoli Onyinye
  Carlson Ndamukong Nugang
  Chidimma Uzochukwu
  Daniel Okpetu
  Daisi Celestina

- **SPORT**

  Festus Peter
  Florence Uro
  kosisochukwu Ekpeluchi

- **SANITATION**

  Sambo Bitrus Mafwa
  Amarachi Caroline Uhegwu
  Jennifer Ningir
  Chisom Mmaduabuchukwu
  Mmesoma Oguejiofor

- **MEDIA**

  Ndamukong Brandon
  Sambo Bitrus Mafwa
  Okoli Onyinye

2. Benue-Taraba Regional Ministers Retreat

In the pursuit of revival within the Benue-Taraba Region of the Peace House Revival labours, ministers of God from different churches and denominations, including the Peace House full-time staff members from the region, were gathered for a 4-day retreat at the Bethany Resort, with the theme "**Feed the Flock of God**," taken from **1 Peter 5:2**. Our elder (Bro. Gbile Akanni) and several other leaders within the labour were at hand to resource the meeting. The retreat was held to give the ministers time to come together to seek God and further help from His presence for their lives and ministry. The retreat ran from the 2nd to 5th August 2026. **May we see revival on our pulpits and lands in Jesus' name. Amen.**

3. Periodic Enhancement Refresher Training for Teachers (PERT)

On the 2nd day of August 2026, the Bethany Resort began welcoming the resource persons and participants for the PERT training organized by the Peace House Education Missions. The training started on the 3rd of August and ended on the 10th of August 2026 and brought together teachers and education administrators from different parts of the country. There was a surge in the numbers of intake expected this year, but only about 173 participants were in attendance for their first contact, as Set 7, and less than 100 for Set 6, being the older set, came for their second contact.

The main aim of the training is to help teachers understand their role beyond teaching academic subjects. They are trained to carry and demonstrate the life of Christ, both in their character and in their words, and to positively influence the children under their care.

During one of the sessions, the elder charged all those who were present from the book of Ecclesiastes 10:11 on the need not to wait for the serpent to bite before administering the charm. The training session ended successfully, to the glory of God.

4. PIVOT Students Onsite Industrial Training

The PIVOT Set 2 and 3 students, as part of their training requirements, completed a one-month industrial training programme. The programme was designed to provide the students with intensive practical exposure to sewing and knitting while helping them develop confidence and proficiency in the use of their machines.

PIVOT, as the official fashion house of Peace House, is currently involved in the production of students' uniforms...

...including compound wear, sportswear, Sunday wear, and cardigans, for the Calvary Arrows College campuses in Gboko and Abeokuta. This project provided an opportunity for the students to have a more engaging and practical internship experience by actively participating in various stages of the production process, although the production extended beyond the internship period.

The students are therefore expected to combine learning with practical production throughout the internship period, thereby achieving both the objectives of the training and the institute's production target.

5. Covenant Heirs Summer School and Annual Retreat

The Covenant Heirs Summer School commenced on Wednesday, 5th August 2026, at Calvary Arrows College, Gboko. The programme was strictly for the children of Peace House full-time staff members and included students from JSS 1 to SS 3. The summer school covered different academic subjects, including Mathematics, English, Physics, Chemistry, Literature, Government, Basic Science, Basic Technology, Basic Skills, and Character Development. The aim was to help the students improve their academic knowledge while also developing godly character and useful life skills.

It was a camping programme that lasted for three weeks and ended on 23rd August 2026, which allowed the students to learn and live together throughout the period. The summer school culminated into their annual retreat, where other older Covenant Heirs joined from the 19th and continued until 23rd August 2026.

The retreat was centered on the theme "**Thou Art My Battle Axe**," taken from **Jeremiah 51:20**. The retreat featured different activities, including messages, book study, seminars, frank talks, and a variety/worship night. **We pray that they will all grow to know the God of their fathers, walk in His way, and serve Him truly.**

6. Premarital Training

The second contact of the intending couples' training was held from 12th to 16th August 2026, where some participants gathered here at the Bethany Resort, Gboko, and several other centres were hosted within and outside the country. Sis. Sade Akanni led the team of resource persons who were onsite with the participants, with several others connected virtually.

The training was organized to help young people who are preparing for marriage understand the responsibilities and commitments that come with marriage. The training was an intensive and practical one, with both partners in attendance, as it is a condition for participation in the programme. This second contact followed the first contact, which was held in March 2026.

For those whose wedding dates had already been fixed for later in the year, special sessions were held with Sis. Sade Akanni to give them additional guidance and preparation as they approached their wedding ceremonies.

Overall, the programme was aimed at helping the intending couples prepare not only for their wedding day but also for a godly, stable, and Christ-centred marriage that will honour God, serve His purpose on earth, and positively influence their families and future children.

7. 2026 Teens Bootcamp

The Peace House Students and Youth Department organized the Teens Bootcamp, which commenced on 19th August 2026 and ended on 23rd August 2026, at the Seminar Hall, Bethany Resort, Gboko. The theme of the bootcamp was "**Running to Win**," taken from **1 Corinthians 9:24**, and was handled by members of the Battle for the Young Team.

The bootcamp officially commenced with a time of praise and worship, creating an atmosphere for the teens to focus on God and prepare for the activities ahead. The opening charge was given by the department head, **Bro. Peter Keigh**.

The bootcamp included a variety of activities: games, seminars, Bible study, discipleship sessions, talk shows, gender exclusiveness, ICT, and life skills training. The different sessions were designed to address both the spiritual and practical needs of the teenagers. The ICT session, handled by one of our resource persons in PRICE, Bro Alawode Taiwo and the life skills sessions provided practical knowledge that could be useful to them in their education and everyday lives. The bootcamp had an attendance of close to 500 teenagers, making it a significant gathering of young people.

8. Release of Two Set 4 Interns

On 16th August 2026, **Sis. Chioma Okafor** was released in prayer as she prepared to proceed to Europe for further studies, having secured the highly competitive Erasmus Mundus scholarship. Her successful application was supported by the knowledge, research experience, and practical exposure she gained through her work at PRICE, including her participation in the international conference on Mathematical Modelling organized by ICAMMDA in collaboration with PRICE. These experiences broadened her academic perspective and enhanced her engagement with contemporary research issues. Her selection for this prestigious international opportunity is, for us, a reason to give thanks to God for the fruit emerging from the investments in our interns.

On another note, Sis. Chioma Lazarus was released from the institute with prayers and words of encouragement on 24th August 2026, following repeated misconduct and violations of the institute's rules and code of conduct. Prior to the decision, she had been repeatedly cautioned and also received a one-week suspension during the 2025/2026 first semester as a disciplinary measure. Despite these interventions and the opportunity to correct her conduct, the pattern persisted. Consequently, in accordance with the institute's disciplinary standards and the terms governing her admission, the decision was taken to discontinue her participation in the programme.

9. End-of-Session Break

The session ended on 25th August 2026, when the PRICE Set 5 students were released from the camp for their holiday. This marked the end of their activities and training for the session. However, PRICE Set 4 students remained on camp because they still had their projects to complete and also needed to make other necessary arrangements regarding their upcoming graduation.

10. International Christian Couples Retreat

The program was held across various centers around the globe, being designed for married couples, with Bethany Resort Camp serving as one of the centers. The retreat commenced on 26th August and ran through 29th August, under the theme "**Digging the Treasure in Our Matrimony**." Retreat participation was strictly limited to married couples, as its sole purpose was to provide a private spiritual reflective environment for the couples.

11. Birthday Celebration

On 30th August, the staff members, along with some interns, joined **Dr. Tunde Ojegbile** to celebrate his birthday and thank God for adding another year to his life. They expressed their joy and gratitude for his life, praying that God would continue to strengthen him, grant him sound health, wisdom, and abundant grace for the years ahead, and enable him to experience greater fulfillment in the accomplishment of His purpose for his life. **May the good Lord crown him with every spiritual blessing needed for the fulfillment of his purpose.**

12. Support for a Former Intern's Innovation Project

As part of the institute's continuous support for its interns, we received one of our very own former interns, **Sis. Esther Chinyere Oni** (née Onwumelu) at the Centre facility on Monday, 31st August, 2026. She is one of the finalists that will be representing Nasarawa State in the Innovate Naija challenge final in Abuja, organized by NASENI. During her stay with us, she will be working on advancing two prototypes of her work:

- A Gas Level Detector and
- A Pay-As-You-Go (PAYG) Clean Cooking Stove.

The objective is to leverage the Center's expertise and facilities for engineering refinement, design optimization, testing, manufacturability, and preparation for real-world user trials. We are trusting God to provide her with the necessary support and collaboration as she works toward transitioning these projects from prototype to viable products.

Conclusion

August 2026 was a month of significant spiritual, academic, practical, and leadership development within the Institute. The various trainings, retreats, internships, student activities, and special engagements provided opportunities for growth, service, and practical learning. We remain grateful to God for His faithfulness throughout the month and trust Him for continued grace, wisdom, and fruitfulness in the months ahead.
Thanks.
