PRICE REPORT ON INSTITUTIONAL AND CAMPUS EVENTS (P.R.I.C.E.)
WEEKLY BRIEF | NUMBER 03 | DATE: 31ST JULY 2026

Introduction

This report presents a summary of major activities, trainings, visits, and special events within PRICE for the month of July 2026. It highlights the month's defining moments of growth, fellowship, leadership development, and celebration.

Headlines

- Interview of intending students and interns
- LEDEYO leadership development programme
- Visit of Mr. Iyinoluwa Aboyeji
- Intellectual Property seminar.
- Powerhouse handover
- MILERT programme
- Calvary Arrows graduation
- Volleyball competition
- NSQ Officials Visit for Orientation and Accreditation Inspection

1. Interview of intending students and interns.

The month of July began with the interview session for the prospective students and interns of the three institutes—PRICE, PIVOT, and PHIPTECH—for the 2026/27 academic session. The interview was held between 2nd and 4th July 2026, and we received a total number of 65 candidates onsite, and 4 from other parts of Africa were interviewed online for admission into PIVOT. A special highlight of the period was the joint Sunday service of 5th July, which was the first of its kind to have prospective candidates of the institutes worship with us in service. Candidates who qualified for LEDEYO were permitted to remain and participate in the meeting, while the others were released to return home, pending further communication from the Admissions Committee.

2. LEDEYO leadership development programme

The Leadership Development for the Young (LEDEYO) was held from the 6th to the 14th of July 2026, at the Bethany Resort camp, Gboko, bringing together youths from across Nigeria and beyond for a life-transforming experience of leadership development and spiritual impartation. The programme featured seasoned resource persons who equipped the participants for effective leadership and godly influence in their generation. It concluded with the commissioning of Set 6, while Set 7 commenced their second year of training.

3. Visit of Mr. Iyinoluwa Aboyeji

Mr. Iyinoluwa Samuel Aboyeji, one of the faculty members of the leadership and entrepreneurship studies at PRICE and a leading financial tech innovator, paid a special visit to the institute between 15th and 19th July. He had very engaging interactions with both Set 4 and Set 5 interns as they had the opportunity to ask questions and to hear inspiring testimonies and practical ideas from his wealth of experience, as they are being prepared as God's arrows and missionaries in the marketplace.

4. **Intellectual Property Sensitization Seminar**

On the 20th of July, the Patenting Unit of the Institute (PRICE) organized a day seminar on Intellectual Property for all the students and interns of the three institutes. The Director of PRICE, Engr. Seun Olufolaji, gave the opening speech & charge, while the guest speaker, **Dr. Olugbenga Adewinle**, of the Central Office of Research (COR), Obafemi Awolowo University, Ile-Ife, Osun State, Nigeria, led the training session with the objective to simplify the concept of Intellectual Property (IP) and equip participants with practical knowledge to identify, protect, manage, and commercialize IP assets, thereby fostering innovation, collaboration, and sustainable socioeconomic development. He further highlights types of IP from Exodus 31:1-5 and also emphasized that registration of our intellectual properties is our responsibility to the wisdom the Lord has imparted for the propagation of His kingdom on earth. The seminar ended with a Q&A session, and it was quite impactful.

5. **Power House Hand-over**

On 22nd July, the Set 4 interns managing the solar farm generating the electricity at the Bethany resort camp handed over to the new Set 5. This was truly more than a mere ceremony; it was a transfer of the baton from the outgoing Set 4 to the Set 5 PRICE interns. Prayers were offered, counsel was shared, and the new managers were charged to be light-bearers both physically and spiritually. **Bitrus Sambo** and **Festus Akpono** were chosen to lead the power management team. It is our sincere prayer that the outgoing set of interns will continually receive God's grace as they prepare for their graduation in September 2026.

6. **Ministers Leadership Refreshers Training (MILERT)**

The second contact of the Ministers Leadership Refresher Training (MILERT) was held from the 22nd - 31st July 2026. Several of our staff members were in attendance, some as students for their ministerial equipping and some as resource persons. The highlight for us was the combined Sunday service held on the 26th of July. The message titled 'Things to Note in Maintaining and Preserving What God Has Done in Your Life in Christ Jesus,' preached by Brother Gbile Akanni, was pertinent not only to the MILERT students but also to all in attendance. We were again reminded from Colossians 2:6-23 and 3:1-3 to grow in Christ Jesus' personality as we all establish our roots deep into His life. The meeting slightly affected some of our evening meetings due to the shared use of the space for floor-groups and the unavailability of some of our resource persons. May the work of the Lord continue to prosper in their hands.

7. **2026 Graduation of the Calvary Arrows College, Gboko.**

On a joyful note, the 16th Graduation of the Calvary Arrows College, Gboko was held on the 24th of July at the college chapel. It was a moment of joy and gladness as the Peculiar Treasure—16th Set of the Calvary Arrows—were shot out from the Lord's quiver for divine exploit. The former Junior Engineers, Technicians and Scientists (JETS) club president of the college, who facilitated an outreach to secondary schools in Gboko town in collaboration with PRICE earlier this year, Oluwatomi Olufolaji, was part of the graduands. We join the host of heaven to celebrate this milestone and pray that these arrows will continue to blaze trails for the kingdom of God as they march unto victory.

8. **Institutes Sports News**

The institutional volleyball competition betwenn our three institutes (PRICE, PHIPTECH, & PIVOT), for both male and female, which kicked off on the 4th of July and continued in high spirit until the final match held on Saturday, 25th July, had the following results of winners:

Males

1. Group E (Rechabite) – 1st place.
2. Group F (Bereans) – 2nd place.
3. Group C (Gideonites) – 3rd place.

Females

1. Group Mary – 1st place.
2. Group Jahel – 2nd place.
3. Group Ruth – 3rd place.

9. NSQ Officials Visit for Orientation and Accreditation Inspection

The three institutes jointly hosted official delegates from the National Skills Qualification (NSQ) body. The visit marked a critical step toward securing official accreditation for certain technical and vocational certificates that could be floated by the institute as part of our training programmes.

During the visit, the NSQ officials conducted an intensive orientation session for our staff, detailing the operational standards and competency-based assessment models required by the framework. Following the briefing, the delegation carried out a thorough inspection of our training facilities, laboratories, and workshops to evaluate our institutional readiness. They left with a note of satisfaction.

Closing

July was indeed a month of rich engagement, leadership formation, meaningful interaction, and joyful celebration. As we reflect on the progress recorded, we remain thankful for the grace that sustained every programme and the lives impacted throughout the month.

PRICE SET4 WITH MR. IYINOLUWA ABOYEJI

PRICE SET5 WITH MR. IYINOLUWA ABOYEJI
